le chat:

1st Meeting:

```
"Meow! My name is le chat, the guardian of the forest!! ",

"You're the Slime Kingdom's reinforcements right? ",

"%Choices; Want to save the forest?; Yes; No...; I speak for the trees ",

-> Yes; ->  "Meow! That's amazing! Because we really need your help!
-> No…; ->  "Oh... that's awkward ", "Um... I'll just keep talking and
pretend you didn't say that "
-> I speak for the trees; -> "I LOVE the Lorax! Then, you should also know
the trees are asking for our help!"

"The Evil CEO of pollution is taking all of our flowers and ores. Without
it, the forest's ecosystem is thrown all out of wack! ",

"So, since you're the best fighter of all of us (you do have a sword after
all), I'm entrusting you to defeat him! "

"Just in case you forgot how to fight though, use WASD to move, J to
attack using the sword and trident, and arrow keys to attack using the
bubble gun, and Q to switch weapons.",

"In order to get other weapons, you need to collect flowers and ores using
Space then trade it in the shop (via me and my friends) ",

"But be careful, if you take too long to collect the flowers and ores,
they'll start decomposing from the Evil CEO's pollution (heard he doesn't
shower) ",

"In the shop, only the health potion can be saved for later, and is drunk
using H (you can see how much you have by looking in the bottom left
corner). The other potions/upgrades give you a permanent upgrade the
moment you buy them!",

"And uh... I think that's it! Thanks for helping save our home!! "

"%Choices; What do you want to do?; Shop; Leave; Meow ",
-> Shop; ->  "Hope your purchase helps you not die"
```

```
-> Leave; ->  "Byeeeeee "
-> Meow; -> "Meow!"
```

Second Meeting:
```
"YOU'RE STILL ALIVE?!?! ",
"I mean… Meow… ",

"%Choices; What do you want to do?; Shop; Leave; Meow? "
-> Shop; ->  "You better not die! >:("
-> Leave; ->  "Good luck!! "
-> Meow?; -> "Woof Woof Woof RGHHHHH", "I mean… Meow!"
```

Meeting 1:
"Hello there! I am the guardian of the grounds, Bucket. I see you're on a mission to save our forest from the CEO of pollution!"
"Some ground rules (not actually, I just like using ground):
- Be careful of Heart, underneath that smile is an evil nature
- You should probably leave Leaf alone, they are quite the grumpy one, constantly mumbling about leafing them alone.
- Come to me to trade! I am definitely the nicest of the bunch :)"
"Please shop until your bucket list is all checked off!"
Choices:
- Shop
- Leave -> "Come back soon!"

Meeting 2:
"Welcome back!! Are you here to fill your bucket?"

- Leave -> "You're welcome back anytime!"

"Try not to die too fast: "

Choices:

- Shop -> "Stay alive! … or not"
- Leave -> "Come back soon! (I hope you won't tho!)"

Meeting 2:

"Heart's closed off. Goodbye!"
